Describe the purposes and programs of the organization for which funds are solicited:

GEM's aim is to provide grassroots efforts with a large institutional impact for the most vulnerable populations affected by disasters around the world. GEM is dedicated to restoring hope and opportunity in the lives of those most affected by disasters. The organization works as a first responder for disaster relief, bridges the gap between first response and development, and implements practices to ensure sustainable development. GEM's aim is to provide grassroots efforts with a large institutional impact for the most vulnerable populations affected by disasters around the world. Our innovative logistical systems and methods are disrupting the disaster arena throughout the world. GEM provides large amounts of necessary aid to regions in real time.
