Small Business Grant Program

Rotary District 5280 is pleased to partner with Global Empowerment Mission to provide one-time financial grants to small business owners impacted by the Pacific Palisades wildfires, helping to repair their livelihoods and return to their trades with renewed strength and support.

What the Grant Covers:

- **Funds can be used towards equipment replacement, relocation, physical repairs, and more**
- **Not intended for payroll, loss of revenue, or new business start ups**

Who is Eligible:

- **Your business was physically impacted by the Pacific Palisades Wildfires.**
- **You are a small, independently operated and locally owned business**
- **You can provide basic documentation showing business activity prior to the disaster**

This program helps preserve the local economy by supporting the people whose work keeps their communities strong.

GLOBAL EMPOWERMENT MISSION

Global Empowerment Mission (GEM) is a nonprofit organization dedicated to disaster relief and sustainable recovery efforts worldwide. Operating across three key phases — Response, Recovery, and Rebuild—GEM provides immediate aid, supports long-term recovery, and fosters resilience in communities affected by crises. By leveraging strategic partnerships, data-driven impact reporting, and scalable programs, GEM ensures efficient and accountable humanitarian action.
