HURRICANE ISAIAS

RELIEVE. RESTORE. EMPOWER.

WHO WE ARE

Global Empowerment Mission (GEM) is a disaster relief organization dedicated to delivering the most aid to the most people in the shortest time, with the lowest cost to donors. Founded in 2011, GEM uses an innovative, scalable response model with pre-positioned resources and established distribution networks to deliver critical aid within the first 48–72 hours.

HURRICANE ISAIAS

Following Hurricane Isaias' landfall along the Gulf Coast, GEM teams are on the ground coordinating directly with local churches, agencies, and response partners to assess needs and support affected communities. With emergency relief efforts underway, our teams are working to mobilize and distribute critical supplies to families impacted by the storm, providing essential resources where they are needed most.
